NEW BUSINESS SECTION – PROPOSED NEW RULES

IRVING TOWNSHIP
BARRY COUNTY, MICHIGAN

(Resolution No. _____)

At a regular meeting of the Township Board for Irving Township held at Township Hall on _____, 2022, and commencing at ___:___ p.m., the following Resolution was offered for adoption by Township Board Member _____ and was seconded by Township Board Member _____:

A RESOLUTION ADOPTING STANDING RULES OF PROCEDURE FOR THE TOWNSHIP BOARD OF IRVING TOWNSHIP.

WHEREAS,

- A. The Township Board of Irving Township has determined that there is a need for more definite rules and procedures relative to the conducting of Township Board meetings.
- B. The Township board has the authority to adopt reasonable rules and procedures governing meetings of the Township Board.
- C. The Township Board deems these rules to be in the best interest of the Township and necessary to the efficient and effective conducting of Township business.

NOW, THEREFORE BE IT RESOLVED, the following rules are adopted for use by the Irving Township Board (the "Board").

1. Open Meetings Act. All meetings of the Board will take place in accordance with the Open Meetings Act, PA 267 of 1976 (MCL 15.261 *et seq.*), as amended.
2. Waiver of Rules. These rules may be temporarily waived by the vote of two-thirds of the Board members present.
3. The Chair. The Township Supervisor shall be the Chair and preside at the meetings of the Board. If the Supervisor is absent or unable to chair a particular meeting of the Board, the Township Clerk shall call the meeting to order, and the Board members present shall elect a member to serve as the Chair for the meeting in question. It shall be the duty of the Chair to preside at all meetings of the Board, to preserve order, and to decide all questions of order and procedure. The Chair shall state and put to a vote all questions properly before the Board and announce the results of all votes.
4. Public Comment. The following shall apply to public comments at Board meetings:

- (a) Members of the public may comment only during the designated public comment portion or portions of the meeting. A member of the public shall not speak unless expressly recognized by the Chair.
- (b) Specific answers to questions need not be given by the Chair or other Township officials at the time requested, but may, at the Township's discretion, be followed up later.
- (c) There shall be at least one general public comment period. Unless authorized by the Chair, no person shall speak for more than three (3) minutes during a public comment period.
- (d) No person may transfer, reserve, or delegate any public comment time to any other person.
- (e) Any person desiring to make a public comment shall be requested to first state their name and address for the record; however, a person's refusal to state their name and address will not preclude them from speaking.
- (f) The Township Clerk shall be responsible for timing the length of public comments and informing the Chair when a person has thirty seconds remaining and when time has expired.
- (g) Members of the public shall comply with directives from the Chair.

5. Individual Conduct.

- (a) No person shall disturb the peace during a Board meeting. A violation of these rules may constitute a disturbance of the peace in violation of MCL 750.170.
- (b) Any person who fails to comply with these rules, disrupts a meeting of the Board, or otherwise disturbs the peace will be called to order by the Chair. Any person who fails to comply with the Chair's instructions and continues to disrupt the meeting or otherwise disturb the peace may be removed from the meeting by order of the Chair. The Board may recess the meeting in order to have the person removed. No person shall be removed from a public meeting unless an actual breach of the peace has been committed at the meeting.
- (c) Any person shall have the right to tape record, videotape, or broadcast the proceedings of the Board, but they shall not utilize the electrical outlets of the Township without the prior permission of the Chair.

6. Communications.

- (a) Letters, emails, and other written communications ("written communications") that are presented to the Board at a public meeting or are otherwise submitted to the Township Board shall become part of the formal record of the Board meeting in question.

(b) Unless requested by a member of the Board, written communications need not be read out loud at or during the meeting in order to be considered part of the meeting record.

7. General Procedure. Meetings of the Board shall generally utilize Roberts Rules of Order unless otherwise provided for in these Rules. The ruling of the Chair on procedural issues shall govern unless appealed and not sustained following a vote of the Board.

(a) Agenda. The agenda for each Board meeting shall be prepared by the Township Clerk at the direction of the Township Supervisor. The agenda will be distributed by the Township Clerk no later than three days prior to the Board meeting. Any Board member may propose modifications to the regular agenda before it is approved.

(b) Order of Business. Generally, the following will be the order of business at all meetings of the Board:

- Call to Order
- Pledge of Allegiance
- Roll Call
- Approval of Agenda
- Approval of Minutes from Preceding Meeting(s)
- Consent Agenda
- Public Comment (Limited To 3 Minutes Per Person)
- Old Business
- New Business
- Reports
- Approval of the Bills
- Public Comment (Limited To 3 Minutes Per Person)
- Board Member Comments
- Adjournment

(c) Vote Requirements. The vote for all resolutions and ordinances will be by roll call vote and entered into the minutes. Unless required by law or requested by a Board member, all other matters do not require a roll call vote.

(d) Consent Agenda.

- i. The consent agenda is intended to streamline the process for approval of regular and routine issues that come before the Board based on the assumption that the consent agenda items have been dealt with by the appropriate committee and/or that thorough material and information has been provided and reviewed in advance by the Board.
- ii. Consent agenda items should be regular, routine, standard, and self-explanatory. In order for the consent agenda to work properly, reports,

materials, information and other matters in the consent agenda are known in advance and information will be distributed with the agenda packet in sufficient time to be read by all members.

- iii. Issues in the consent agenda do not need any discussion before a vote. Unless a Board member feels that an item should be discussed and requests the removal of that item ahead of time, prior to agenda approval, the entire content is voted on at once without any additional explanation or comment.
- iv. Prior to approval of the regular agenda, any Board member has the right to have any item removed from the consent agenda and moved to the appropriate portion of the regular agenda.

(e) Motions.

- i. No motion shall be debated unless it has been seconded.
- ii. The initiator of a motion may withdraw any motion at any time before it has been adopted. However, if the motion has been seconded, the seconding party must also consent to the withdrawal.
- iii. All motions, resolutions and amendments or substitutions thereto, and the vote thereon shall be entered in the minutes.

- (f) Appealing a Decision of the Chair. When a decision of the Chair is appealed, the Board member making the appeal shall state the basis for the appeal. Following limited debate, the question shall then be put in the following (or substantially similar) form – “Shall the ruling of the Chair be sustained?” A ruling of the Chair may be sustained by a majority vote.

8. Duty to Vote.

- (a) Board members have a duty to vote on all items before the Board unless prohibited by law or doing so would result in a conflict of interest.
- (b) Board members must abstain from a vote that would result in a conflict of interest or a violation of law.
- (c) No Board member may participate in debate regarding a matter upon which they are precluded from voting.
- (d) If a Board member believes or questions whether they must abstain from vote and debate on a particular matter, they should raise a point of privilege and state the basis for abstention. The Chair will call for a motion to excuse the member from the debate and vote regarding the particular matter.

9. Duty to Attend.

- (a) Board members have a duty to attend all Board meetings.
- (b) If a Board member is not able to attend a meeting, they should provide prior notice to the Chair and state the basis for the absence.
- (c) Following roll call at the beginning of the meeting, the Chair will ask for a motion to excuse absent Board members.

10. Repealer. All resolutions, motions, and policies in conflict with this Resolution are hereby repealed to the extent of any such conflict.

11. Effective. This Resolution is effective immediately (including the remainder of the meeting at which it was adopted).

To: Jamie Knight

Supervisor Jamie Knight (for distribution to the Irving Township Board):

At the Board Meeting on December 20, 2022, there was a lengthy discussion regarding the fire contract and the departments that service Irving Township. I was given the opportunity to comment during that time and noted I felt some of the issues could be handled with better/regular communication and suggested someone attend the regular meetings held by the Boards/Committees of Thornapple, Freeport and BIRCH departments. I understood Mr. Sokolowski to say that was already in practice. I contacted a few people the next day and realized that while someone from Irving Township does attend Freeport and BIRCH meetings, no one attends the TTES meeting.

At this point, I mulled over how I can be of service to the Township.....

I would like to offer my time to attend the monthly TTES meeting as an Irving Township resident. This would be purely to gain knowledge from the TTES meeting and share knowledge with the Irving Township Board. I would not expect to speak on behalf of Irving Township, nor would I take that liberty. I would also neither expect, nor accept, any compensation. The goal, as I stated, would be to gain and share knowledge, and be of service to the Township.

Please let me know if you would like to discuss this further.

Thank You,
Rhonda Van Polen
