Barry County has a wonderful recreational facility. Historic Charlton Park, with 310 acres of rolling terrain and miles of river and lake frontage surrounding the Historic Village, it's a perfect place to spend the day with family and friends. Swimming, sunbathing and picnicking are popular on our **beaches** which are equipped with shelters, tables and modern restrooms. Volleyball, horse shoes and softball facilities are also available.

The annual **Gas and Steam Engine Show** is this weekend! July 12 and 13, celebrate the history of Gas & Steam equipment, tractors, and engines used around the farm. The event runs 8 a.m. to dusk both days. Admission is \$7 for adults, kids 12 and under free. Visit www.charltonpark.org for more information.
